BALLI, UMIDA!

Umida Nishonovaning ushbu «O'zbek xalq ertaklari» nomli tarjima kitobini ko'rib, rosti, quvondim. Bu kitobda, nafaqat o'zbek ertaklari, balki shu ertaklar zamirida yotgan qadimiy urf-odatlarimiz, o'zbekona ma'naviyat hamda madaniyatni muallif sof ingliz tilida mohirona ko'rsata olgan. Albatta, yurtimizning Umida singari yosh iqtidor egalari keng kitobxonlar ommasiga o'z ijod namunalarini taqdim etishga jur'at etayotganligi mustaqilligimiz sharofoti, desam, aslo mubolag'a emas.

Fikrimning isboti sifatida muhtaram yurboshimizning 2012 yilning 10-dekabrida qabul qiligan «Chet tillarini o'rghanish tizimini yanada takomillashtirish chora-tadbirlari to'g'risida»gi qarorini keltirishim mumkin. Bu tarixiy hujjat talablari asosida umumta'lum maktablari, kasb-hunar kollejlari va akademik litsey, oliy o'quv yurtlarida chet tillarini o'qitish, o'quvchi hamda talaba yoshlarda kasbiy bilimlarni shakllantirishda xorijiy mamlakatlar tajribalaridan foydalanish, shuningdek, zamonaviy metodlarni hayotga tatbiq etish dasturi ishlab chiqildi.

Umida Nishonova ham juda ko'p yoshlarimiz qatori horijiy tillarga, ayniqsa, ingliz tiliga qiziqqanligi va bu borada ma'lum yutuqlarga erishayotgani quvonarli holdir.

Endigina 17 yoshni qarshilagan Umidaning ilk kitobi o'zi uchun tarjima yo'naliishida bir tajriba bo'lsa, ingliz tilini o'rghanayotgan bolakaylor uchun ajoyib sovg'adir. Bu qizimizning kelajagi porloq bo'lishiga qattiq ishongan holda unga qarata «Balli, Umida!», degim keldi.

KO'ZACHA BILAN TULKI

(ertak)

ko'zachani tushirib yuboribdi. Ko'zachaning bir bo'lagi sinib tushibdi. Karvondagilar yaroqsiz idishni tulkining uyasi yaqiniga tashlab ketishibdi.

Tulki uyasidan endi chiqmoqchi bo'lgan ekan, birdan shamol turib, singan ko'zacha g'o'vullay boshlabdi.

«Nahotki, karvondagilar to'rtinchi kun ham shu yerda qolishsa!» —deb tulki qo'rqqanidan iniga chuqirroq joylashibdi. Tulkivoy uzoq chiday olmabdi.

«Ochlikdan o'lgandan ko'ra o'qdan o'lgan yaxshiroq». — deb o'ylabdi. U inidan chiqib qarasa karvon yo'q emish. Hammasiga ko'zacha aybdorligini ko'rgan tulki unga baqiribdi.

«Senimi shoshmay to'r! Borib qormimni to'yg'izib kelay, keyin bir taziringni beraman».

Tulki yugirib ov qilgani ketibdi. Yurib-yurib bir bo'lak go'sht topibdi.

The fairy-tales of Uzbek

Go'sht uzoqdan mehrigiyoday o'ziga tortayotgan mish. Tulki yaqinroq borib, qarasa bir narsa borga o'xshabdi. Ovchilar qopqon qo'yib ketishgan ekan. Tulki nima qilishini o'ylab qolibdi, qarasa bo'ri ketayotgan mish.

- «Nimalarni o'ylayapsan, do'stim tulkijon?»-debdì bo'ri.
- «Hech narsani o'ylayotganim yo'q»-deb javob beribdi tulki.
- «Salom, do'stim!»
- «Agar saloming bo'lmanida seni yutib yuborardim!»-debdì bo'ri.
- «Meni yutguncha ana u yerdag'i go'shtni yuta qol!»
- Bo'ri tamshanib labini yalab:
- «Nega tayyorgina go'shtni yemading?»-deb so'rabi.
- «Senga asrab turudim,»-debdì tulki.

- «Balki u bemazadir?»-debdì bo'ri.
- «Axir go'sht ham bemaza bo'ladi mi? Shunda ham yeb qo'yardim!»
- «Yana nimalarni istaysan? Bu go'shtni xayolingga ham keltirma,»-deb bo'ri, go'shtga tashlangan ekan, qopqonga tushib qolibdi. Bo'kirib, tishlarini g'ijirlatib, qancha harakat qilsa ham chiqqa olmabdi.

Tulki esa go'shtni bir chekkaga olib borib yeb turib, debdi.

-«Bo'rivoy, sen dovyuraksan, lekin, ko'p narsalarni ko'maysan».

- Bo'ri boshini qimirlatib yordam so'radi:
- «Qadrdon tulkijon, yordam ber. Meni ozod qilgin».
- Tulki dumini likillatib:
- «Yaqinda meni yutib yubormoqchi bo'lgan sen emasmiding? Yo'q, azizim, ovchilarni kutib turasan,»-deb ketib qolibdi.

Tulki iniga kelib, ko'zachaga tikilibdi. Unga qanday jazo berishni o'ylab-o'ylab, oxiri suvg'a cho'ktirmoqchi bo'libdi. Dumiga bog'lab ariq bo'yiga sudrab ketibdi.

Ko'zacha ichiga suv to'lib, qulqullagan sari tulkinining battar jahli chiqibdi:

- «Jim bo'ley ahmoq! O'liming yaqinlashsa-yu, sen kulasan!» Ko'zacha

O'zbek xalq ertaklari

qulqullab-qulqullab to'libdi-da, tulkini ham suvga torta boshlabdi.

Shunda tulki yalinib:

-«Voy ko'zacha, azizim! Axir dumimni uzub yoborasan-ku! Boshqa qilmayman qo'yib yubor meni!»-debdii.

Ko'zacha bo'lsa indamay tulkini chuqurroqqa tortib boraveribdi. Tulki ovozi boricha noliy boshlabdi:-«Qo'yib yubor ko'zacha og'ayni o'lyapman!»-deb bor kuchi bilan bir silkingan ekan, dumi uzilib ketibdi.

Qirg'oqqa sakrab chiqsa ro'parasida bo'ri paydo bo'libdi.

-«Ha tulkijon! Qo'lga tushmayman deb o'ylagandirsan-a?»

Ammo tulki sira qo'rqmabdi.

-«Eh do'stim! Axir, nega mendan xafa bo'lasan, nahotki sen taklif qilgan ziyoftdan bosh tortgan bo'lsam?»-debdii tulki.

Bo'rining battar jahli chiqibdi.

-«Axir sen meni ilintirding! Endi dunyoga kelganingga pushaymon bo'lasan».

Tulki bunga ham gap topibdi.

-«Bo'ri og'ayni qanaqa xafagarchilik haqida gapiryapsan?»

-«Endi meni alday olmaysan. Qani shikastlangan oyog'imning haqini to'lagin-chi?»-debdii bo'ri.

-«Axir tushunsang-chi bu baxtsizlikka kim aybdor o'zi?»-debdii tulki.

-«Dumli tulkinining o'zginasi».

-«Unda bu men emas»-deb ayyor tulki bo'rige dumini ko'rsatib qutilib qolibdi.

Shu bilan ertak ham tugabdi.

The jug and the fox the fairy-tale

Once upon a time there lived a cunning fox. One day she went out, lay onto the soil and began to roll from side to side. While she was lying on the soil, a caravan approached her. At once the fox went in its house and disappeared.

The people decided to stay there over night. They unloaded their camels cooked meal and made tea.

The camels had walked a long way and were very tired, the leader of the caravan told his people that they would stay there for three days. The fox heard their talks and became sad.

Thus the fox couldn't go out and have something to eat for three days. On the fourth day the caravan started to prepare to continue their journey. At that time somebody dropped a jug and it broke. The people left the broken jug near the fox's house.

The fox was about to go out when suddenly the wind began blowing and the broken jug began making a hawling sound.

-«Are they going to stay on the fourth day too?» -she thought and fearfully went deeper into her house. The fox could not wait for a long time. It is better to die of guns than dying of hunger, - she thought. When she went out there was not anyone nor anything. She understood that the jug was guilty for everything and shouted at it:

-«Let me go and have something eat after that we will have a serious talk with you». The fox ran away to eat something, after a while she found a piece of meat. When the fox came up to the meat there was a bite.

The hunters put the bite. The fox sat and thought. There was a wolf coming.

-«What are you thinking fox?» - asked the wolf.

-«I'm not thinking about anything,» - answered the fox.

-«Hello, my friend!» .

-«If you didn't greet me I would eat you up,» - said the wolf.

-«Instead of eating me, eat that meat!»

O'zbek xalq ertaklari

- «Why didn't you eat the meat?»
-«I'm saving it for you,»-said the fox.
-«May be it isn't good?»-said the wolf.
-«I'll eat the meat,»- said the wolf and was going to eat it, the wolf got into the bite. The wolf cried and tried to go out, but it could not.
- The fox got the meat and ate it, and said to the wolf:
-«Wolf, you're brave, but you don't see somethings». The wolf asked fox help.
-«Dear fox, help me. Save me».
The fox wagged its tail:
-«You were going to eat me, weren't you? You will wait till the hunters come,»-said the fox and went away. The fox came to its house and looked at the jug. He thought how it would punish it and at last it would be a good idea if it sink into the water. The fox bound it with its tail and went to the water.
- The jug began to fill with water and at that time the fox got angry:
-«Hey, stupid, be quiet! You're, going to die, but you're laughing! The jug filled with water, it began to draw the fox».
- At that time the fox, cried:
-«Please, my dear jug! You're going to throw, away my tail, please, let me go! The jug were going to draw and draw. The fox began to cry loudly. The fox stirred with its force and it's tail interrupted».
- While the fox came out of the water, the wolf was waiting for the fox.
-«You thought that I won't catch you. But the fox was not afraid of the wolf».
- «Hey, my friend! Why are you angry with me?»
The wolf became angry:
-«You made me to die! And now you'll be angry that you came to birth».
- The fox said:
-«The wolf, my friend, what are you talking about?»
-«Now you can't lie. Pay for my hurt leg?»- said the wolf.
-«Just think who is blame for this event?»— said the fox.
- The fox with it's tail.
-«It's not me»-said the sly fox showing its tail and went away.
And then the fairy-tale ended.
