Lucy and Nicolas

We live in a small, old house in Brighton. It has two bedrooms, a living room, a dining room, a kitchen – and there's a bathroom, of course!

In the living room there are two armchairs and a sofa. We also have a television, a video recorder, and a CD player. On the wall there are two pictures. It's a very comfortable room, and in the evening we sit and watch television or listen to music.

In the dining room there is a table and four chairs. There are a lot of photographs of our families on the walls. The kitchen is new. We have breakfast in the kitchen, but we have lunch and dinner in the dining room. We have a small garden and two cats. We are very happy in our house!
