## Text: *Amir Temur*

- In the middle of the 14 th century a fight for independence against the Mongol empire which had begun in Horoson reached Movorounnahr. The main reason for the fate of the fight for their freedom

- In this fight the great leader and military strategist Amir Temur made his contribution. He spend his whole life fighting against oppression, ending the battles between the know and Beks and establishing a strong sentralized state.

- His name was known not only in Turon but all over the world. He become a famous statesman and great military leader of the Uzbek people.

- Amir Temur was born on April 9, 1336, in the village of Hojailgor near shahrisabz. His father was an authoritative rich man whose name was Amir Taragay. His mother Teguna was a noble woman. So he was well educated in his family. He was strong and handsome.

- As his father was a rich man, he had many servants. When he was 12 years old he began to rule over them. He knew how to protect the property and how to oversee it, in his early years he was interested in state affairs and military activities. He spent much time in military training and getting a secular education.
