The type of the lesson:

It is hold based on competition, discussing as the lesson is non-traditional

The equipment of the lesson:

Course book, computer , cards , tests, screen, visual , aids

Organizational moment:

a) Greeting

b) Checking the attendance

The procedure of the lesson:

a) Asking the previous theme

(Based, questions-answer, tests, listening, logic game)

b) Expressing the new theme.

The main part of the lesson:

-Developing pupil's skills by using visual aids, technical and didactical materials at the lesson

-Using new pedagogical methods in order to make pupils memory better.

-Working with the course book during the lesson

-Using new methods to develop the theme, doing several tasks.

The end of the lesson:

- giving homework

- Evaluating pupils' participation analyzing their activity.

The procedure of the lesson:

I. Organizational moment.(5 min)greeting

Good morning, dear pupils

Logical game " I have , I don't have "

In this game pupils will say one of these phrases turn by turn and they should try to find the reason why it is " correct" or "incorrect" when the teacher says one of these. If any pupil has something at hand " I have " is correct , if there is nothing , it will be incorrect.

II. The teacher asks the pupil about the homework -"What's the homework?"

The responsible pupil answers

- "Are you ready for the lesson?" - "Yes, we are ready"

- "The homework is to learn the new words and expressions by heart and to do the exercise 2

Pupils who have done mistakes raise their sentences and the teacher discuss the wrong answers with the whole class

III. Create English speaking atmosphere

The teacher introduces the pupils with the motto of the lesson:

IV . Jobs.

The world of work

In this part of the lesson the pupils will choose any picture on professions then they will tell the class why he or she has chosen this job .
