The most common jobs are babysitting (very popular with girls) and paper rounds (popular with boys). Cleaning and working in a shop are also popular jobs. In the UK, school students are not allowed to work more than two hours on a school day, or more than twelve hours in total during a school week. They are not allowed to work before 7 a.m. or after 7 p.m. (but babysitters can work later. They must have at least two weeks' holiday from school each year when they don't work at all. Teenagers do part-time jobs because they want to earn some money. However, they don't usually earn very much. In the UK, there is a minimum wage for adults: £5.52 an hour.
